Product information

Product eligibility

- Must have air-source heat pump, fossil fuel heating with central A/C or electric furnace with central A/C (neither baseboard heating, geothermal nor mini-split heat pumps are eligible).
- Thermostats installed by Trade Allies will have an additional \$50 added to the rebate amount. Thermostats installed by Trade Allies will have an additional \$50 added to the rebate amount.
- If your smart thermostat was installed by a PPL Electric Trade Ally, your rebate application must include an invoice for the installation labor in addition to the thermostat receipt.
- Must be ENERGY STAR® certified.
- Confirm product eligibility by searching the ENERGY STAR certified smart thermostat list at energystar.gov/productfinder/product/certified-connected-thermostats.
- **If the account is a business, you may be required to provide business type, tax status and W-9.**
- Equipment already rebated via midstream or instant discount channel does not qualify for additional incentives.

Rebate
