*What type of home do you live in?
A multifamily building has three or more individual residential-use units. Rowhomes/townhouses and duplexes with two units are not considered multifamily.
☐ Single Family ☐ Multifamily ☐ Other

Product information

Product eligibility	• Must have air-source heat pump, fossil fuel heating with central A/C or electric furnace with central A/C (neither baseboard heating, geothermal nor mini-split heat pumps are eligible). • Thermostats installed by Trade Allies will have an additional \$50 added to the rebate amount. • If your smart thermostat was installed by a PPL Electric Trade Ally, your rebate application must include an invoice for the installation labor in addition to the thermostat receipt. • Must be ENERGY STAR® certified. • Confirm product eligibility by searching the ENERGY STAR certified smart thermostat list at energystar.gov/productfinder/product/certified-connected-thermostats. • If the account is a business, you may be required to provide business type, tax status and W-9. • Equipment already rebated via midstream or instant discount channel does not qualify for additional incentives.	
Rebate	Self- or Contractor-Installed Rebate: \$50	PPL Electric Trade Ally-Installed Rebate: \$100
